FOREWORD BY CHAIRMAN OF THE INSTITUTION

PMC Group of Institutions commenced in the year 1996. This Group of Institutions, have progressed well and will continue to do so in the future, with all your support and cooperation.

The Management understands the need for guidelines to all staff for a systematic and sustained growth of the Institution taking care of the needs of students, staff and Society at large.

The HR Manual of the Institution is prepared to make all the staff working in the Institution aware of the rules and regulations that governs their working in the Institute.

This manual does not supersede the requirements of the statutory/non-statutory bodies like AICTE, NAAC, NBA, UGC, ISO, Directorate of Technical Education and any other relevant body. This is third issue of Human Resource Manual. A sincere effort has been made to create a manual anticipating future needs and issues in a manner easy to understand for most users.

The Management is committed to help in the interpretation of any policy. All staff are expected to read the Human Resource Policy Manual in order to know the policy updates made from time to time.

Updates in the manual will also be informed to staff through circulars as and when required with the permission of the Management of the Institute and based on statutory requirements.

Any ambiguity / clarifications / doubts that arise out of the interpretation of the text of this manual shall be ignored out through the rules and regulations laid down by the Directorate of Technical Education.

In case of conflict of rules laid down by AICTE and Directorate of Technical Education, a proper decision on a specific matter is left to the sole discretion of the Management.

The policy document is effective from July 2022. Staff members shall strictly adhere to the rules and regulations spelled out in this document.

The Management reserves the right to change/modify the policies as and when necessary and apply their discretion in specific cases

Shri Er. **P. PERUMAL**, Founder Chairman, Er Perumal Manimekalai Telugu Minority Educational and Charitable Trust, Hosur.

19.1 Requirements of a department

A. Consumables:

Soon after the last day of classes of an academic year, the staff in – charge of each lab should assess the requirement of lab consumables for the next academic year taking in to account the consumption in the previous semester. The HOD of the department concerned has to give a list of consumables required for the next academic year to the Management through Principal

B. Non consumables:

- The HOD as soon as realizing the need for the equipment's (including furniture) for the next year has to initiate a proposal to the management for procurement of the same, through the Principal.
- After the approval, the purchase committee will call for quotations.
- On receipt of quotations the HOD has to prepare a comparative statement.
- If required, vendors may be called for negotiations by the management.
- The purchase order will then be issued to the selected vendor by the management on the recommendation of purchase committee.
- A copy of the purchase order will be sent to the Principal / HOD of the concerned department.
- After purchase are over and the items are received by the department, the HOD has to certify that the items have been received in good / working condition.
- Enter the details into the consumables / non – consumables stock register as the case may be and pass the bill for payment within a week of the receipt of the consumables / non - consumables.
- Bill may be sent to management through the Principal.

C. Stationery

- Soon after the last day of classes of an academic year the HOD should assess the requirement of stationery needed for the administration of their department.
- After the consolidation of the requirement and approval, the management will take action for the bulk purchase of the stationery needed for the entire institution.
- After procurement, the stationery required for each department will be distributed from the office.

D. Special requirements of the stationery

- Special indent for stationery in bulk for specific purpose such as conduct of workshops / conferences / seminar etc., has to be given by the HOD to the office well in advance (at least 10 days before the proposed date)
- While preparing the special indent the actual use of stationery during last similar occasion should be taken into account as a basis.
- As soon as the purpose for which the stationery has been obtained is over, the unutilized portion has to be returned to the office by the HOD concerned. The stationery obtained for a specific purpose shall not be used for normal work of the department.

19.2 Maintenance of stock

- In each laboratory the following stock registers have to be maintained
 - a. Consumables stock register
 - b. Non-Consumables stock register
 - c. Other register(s) based on the requirements of the department concerned.
- The staff in-charge for each lab is responsible for the proper upkeep of the materials in the lab besides maintaining the consumables and non-consumables stock register of each lab. Each entry should be signed by the staff in-charge of the lab, lecturer in-charge for verification and the HOD concerned.
- The staff in-charge is nominated among the members of the department. He/she will be in-charge of the concerned lab of the department. At times it is seen that

technical assistant is taking final decision about receipt of stock. It should be avoided.

- Whenever a new staff member takes over the staff in-charge of a lab, he/she should take charge of the lab from his/her predecessor after verifying the entries of the stock registers. If there is any discrepancy, the fact should be reported immediately through the HOD to the Principal.
- If a staff member who is in-charge of the particular lab is on a long leave, the HOD should make the alternative arrangements immediately to entrust the stock to another staff member. The newly entrusted staff member shall take possession of all the stocks immediately and the HOD has to report the fact to the Principal.
- Any breakage (or) damage of an item during its use should be immediately recorded in the stock register against that item in the remarks column. This should include the reasons for the damage and any breakages fees to be collected from the staff member/student whoever is responsible for the damage. In case of expensive items, the matter should be reported to the principal immediately for the recovery of the breakage fees. For expensive items the breakage fees should be collected after the practical classes are over for the concerned semester.
- Similarly, loss of any item should also be entered in the register and reported to the principal for recovery of the cost from person responsible for the loss.
- After the recovery of the costs and on the specific orders from the principal the item lost / damaged item has to be removed from the stock register.
- If any old item is beyond repair and cannot be put into use, the same also can be condemned after obtaining approval from the principal. This has to be entered in the stock register.
- Non transfer of an equipment / material from one lab to another lab (even within the same department) should take place without prior permission of the principal. As and when such a transfer is made, a note should be made in the respective stock registers of the lab against the item regarding the date of issue, date of receipt and other relevant particulars.

- If any equipment is not functioning within the guarantee period, the company may be pulled up for rectification, and it must set right at the earliest possible.
- Periodic service and maintenance / calibration of the equipment's / machineries is amust.

19.3 Stock verification:

- Surprise stock checks have to be carried out to by HOD in his / her department at least once in a year, the principal (or) any member of the management may also conduct surprise checks.
- Apart from surprise checks annual verification has to be carried out by the staff members deputed from other department by the principal before the end of the academic year.
- Discrepancy if any noticed during stock verification should be reported to the principal immediately for further action.
